Photos are of the two seedlings that Maureen Manning presented to the club when she last visited. They were looking very sad when we received them but Katrin has nursed them and they are looking promising.

At this final meeting for 2017 we heard from our out bound exchange student Georgia who will be spending 2018 in Taiwan and also from our current in bound student Sarah.

Georgia spoke of her excitement of experiences to come and Sarah share some of the experiences she has had so far.

Both girls thanked Rotary for providing such a unique opportunity for seeing another country and living a different culture.
