Siobhan is being moved from Italy, and thanks to the efforts of Rob Uhl, the chair of the District Youth Exchange committee, she is not being sent home, but being moved to Germany. There won't be a YEP in the current year but plans will be made for the following year.

Club president Marco announced a few changes to how our meetings will be held. The first major change will be a formal meeting once per fortnight after the initial 2 weeks; on the off week – for those that wish to a social event of Rotarians will be organised by members, the first of which will be on 29 July at Roses organised by Membership Director John Clarke. This will be **an informal gathering** of Rotarians not a Rotary meeting or classed as a Rotary Event. Marco presented to the meeting our Board’s Strategic plan for the coming year – each member was given a copy to peruse over the following week and will be given an opportunity to respond and share ideas on how these goals can be achieved.

Bring along great ideas and bring along an extra \$2 or \$5 - apart from your wine raffle ticket - for your chance to Jiggle the Joker... Jackpot will be \$84it could be yours.

PLEASE ADVISE HASS IF YOU ARE APOLOGISING FOR NON-ATTENDANCE BY MONDAY EVENING BEFORE THE COMING MEETING: 0413 309 596 or hassall.m@bigpond.com
